CODE: **LM (Colour)**

Durable semi-permanent paint for hard and grass surfaces

Solvent based paint used for applying semi-permanent markings to grass and most hard surfaces, inside or outside. Used inverted with a hand held or wheeled applicator, this paint is rapid drying and has good resistance to abrasion and chemicals. Available in 7 colours for safety and legal purposes

Benefits:

- Easy to apply by hand or applicator
- Fast drying
- Lead and xylene free
- High opacity
- Anti-Clogging nozzle
- UV-stable
- Excellent abrasion and chemical resistance
- Compatible with most applicators
- 7 colours

Technical Data:

Appearance: Coloured paint
Odour: Characteristic paint aroma
Contents: Blend of pigments, resins, stabilisers, solvents and hydrocarbon propellants
Storage: Between 5 and 30°C
Relative Density: 0.92
Solubility: Insoluble in water
Pack Sizes: 12 x 750ml cans
Coverage: 50mm line width – approximately 70-115 metres
Directions for Use: Shake can vigorously until agitator ball is heard and then for a further 1-2 minutes. Apply nozzle to can and invert to use. After use stand can upright and spray for 2-3 seconds to clear. Remove nozzle and store can on its side.
